based on personal knowledge, and if called to testify, I could and would do so competently as to the matters set forth below.

2. Attached as Exhibit A is a true and correct copy of the *Browning* Complaint. The *Browning* action is a proposed class action on behalf of purchasers of passenger air services for travel containing transpacific flight segments. Like the actions in the Transpacific Passenger Air Transportation Antitrust Litigation, *Browning* alleges a conspiracy by the same defendants to fix, raise, maintain and stabilize the price of passenger air transportation services in violation of Section 1 of the Sherman Act, U.S.C. §1.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 28th day of March 2008 at San Francisco, California.
